	Overall Length	Overall Height
QASHQAI+2	4515mm	1641mm
NEW X-TRAIL	4630mm	1680mm*

## Colour & Trim

### Exterior Colours

**QASHQAI + 2** will launch with a choice of 10 colours - 8 metallic (at extra cost), and 2 solid as shown below.

*Sandblast (E51) will not be available on QASHQAI + 2*

### QASHQAI + 2 Engine & Transmission Line-Up

**QASHQAI + 2** will be available with 6 powertrain options from launch.

The line-up will consist of a 2.0l petrol engine and 2.0dCi diesel engine from launch. These will be available with a manual transmission in 2WD and 4WD or CVT/Automatic with 4WD versions only.

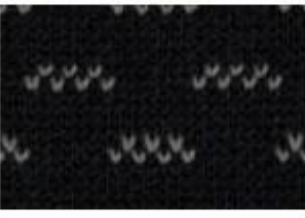

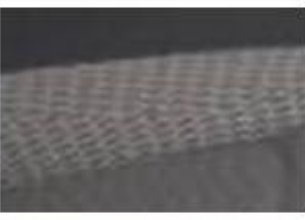

*Please note that unlike QASHQAI, CVT transmission will not be available on the 2.0 Petrol 2WD versions of QASHQAI + 2.*

	2WD	4WD
PETROL	2.0 Manual (140PS) -	2.0 Manual (140PS) 2.0 CVT (140PS)
DIESEL	2.0 dCi Manual (150PS) -	2.0 dCi Manual (150PS) 2.0 dCi Auto (150PS)

## Interior Trims

Both VISIA and TEKNA trims are carried over from QASHQAI, with Charcoal cloth on VISIA and a choice of Graphite or Chocolate leather on TEKNA. ACENTA benefits from a new trim called Koala, a two tone cloth trim which brings a lighter, more spacious look and feel to the cabin. Graphite is the other alternative on ACENTA grade.

GRADE	SCHEME	UPHOLSTERY	FABRIC
TEKNA	GRAPHITE LEATHER		
	CHOCOLATE LEATHER		
ACENTA	GRAPHITE		
	KOALA (NEW!)		
VISIA	CHARCOAL		

**QASHQAI +2's increased dimensions and versatility give it a more grown-up, family oriented look and feel.**

**Although being 211mm longer QASHQAI +2 has not lost the QASHQAI identity, maintaining a strong emphasis on the cars Distinctive Design.**

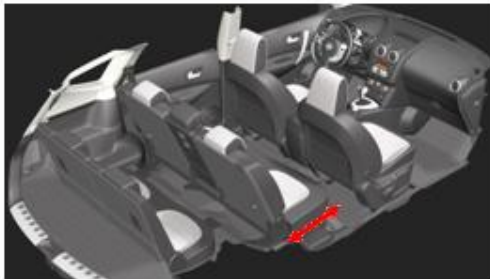

Below you will be able to find the differences between **QASHQAI +2** and **QASHQAI**, highlighting the purpose for each feature and how it can be communicated to the potential **QASHQAI +2** customers.

CHANGE	IMAGE	PURPOSE
NEW FRONT GRILLE		New Stylish Grille gives a sleeker appearance and refreshes the product
NEW REAR DOOR & BUMPER		New rear door & bumper to increase differentiation & deliver unique identity
ROOF RAILS (STANDARD)		Roof rails are standard on all QQ+2 grades
PRIVACY GLASS (BACKSEAT PASSENGER PRIVACY GLASS)		More privacy for the rear passengers and baggage
BIGGER REAR WINDOWS		For more spacious airy feeling in 3rd row

### New Trim for ACENTA

New trim for ACENTA in place of Chocolate Orange – 'Koala', gives the cabin a more spacious feel due to the lighter tone.

CHANGE	IMAGE	PURPOSE
LONGER REAR DOOR POCKETS		Longer rear doors give greater storage capacity than QASHQAI (100mm longer than QASHQAI)
LONGER PANORAMIC GLASS ROOF		Standard Glass Roof (140mm longer than QASHQAI) – gives the cabin a more airy feel, especially in the 3rd row
SLIDING 2ND ROW OF SEATS		For the flexibility to cope with all lifestyles
UNDER FLOOR STORAGE / CARGO DIVIDER		Can be used as tonneau cover storage area when not in use.
